HVI90TCRF

Induction hobs in vetroceramic

General features

- 4 zone touch with integrated hood
- Booster function 9 + booster
- Power limiting device 1,4 kW max. 7,4 kW
- Controls slide touch
- Bridge function simultaneously control two zones
- Warming function
- Pan sensor
- Child safety
- Residual heat indicator
- Timer with automatic stop

Consumptions standard / booster

- Zone 01
  190×210 2,1 kW / 3,0 kW
- Zone 02
  190×210 2,1 kW / 3,0 kW
- Zone 03
  190×210 2,1 kW / 3,0 kW
- Zone 04
  190×210 2,1 kW / 3,0 kW

Extractor

- Energy class A+
- Extractor power 165 W
- Extractor noise level 47/66/70 dB
- Extractor flow rate 650 m3/h
- Grease filter cleaning warning
- Installation extracting, filtering or filtering in plumbing space

Hob colour range

Glossy
black – BK

Dimensions

Built-in hole size: 795×480 mm
